

# KANSAS AFTER 3PM

America After 3PM surveyed parents in Kansas to examine how children spend the hours between 3 and 6 p.m.—the hours after school ends and before parents typically return home from work. It highlights the trends in afterschool program participation, documents the benefits associated with participation in afterschool programs, and measures public support for afterschool programs.

America After 3PM revealed that **70,407 children (14%) in Kansas** participate in an afterschool program, yet **132,731 children (31%) would be enrolled** in a program if one were available to them.

With **70% of Kansas's parents satisfied with their child's afterschool program** and **65% agreeing that afterschool programs give working parents peace of mind**, more work needs to be done to ensure that all children in Kansas are able to take part in an afterschool program that keeps them safe, inspires learning and supports working parents.

## OVERALL DEMAND FOR AFTERSCHOOL PROGRAMS

Afterschool Program Participation in Kansas

Demand for Afterschool Programs in Kansas

**19%**

of children are unsupervised after school in 2014 for an average of 7.68 hours per week.

### ABOUT THE SURVEY

The percentages and projected numbers of children and families in *America After 3PM* are based on survey responses from parents. The Afterschool Alliance contracted with Shugoll Research to collect the data. Nationally, 30,720 households were screened, and 13,709 households completed in-depth interviews via an online survey using a blend of national consumer panels. At least 200 households completed interviews in every state and the District of Columbia, between Feb. 28 and April 17, 2014. In Kansas 200 households and 606 children were screened for this study. Child-level statewide projections and total school enrollment numbers are based on 2011-2012 Department of Education, National Center for Education Statistics. Total school enrollment for Kansas is 495,827. For additional information about *America After 3PM*, visit: <http://afterschoolalliance.org/AA3PM>.

*America After 3PM* is funded by the Charles Stewart Mott Foundation, the Robert Wood Johnson Foundation, The Wallace Foundation, the Ford Foundation and the Noyce Foundation, with additional support from the Heinz Endowments, The Robert Bowne Foundation and the Samueli Foundation.

## Snapshot of Afterschool Programs in Kansas

**39%** of Kansas children in an afterschool program qualify for the Federal Free and Reduced Price Lunch Program.

In Kansas, the top three providers of afterschool programs are afterschool programs run by a public school, YMCA afterschool programs and Boys & Girls Club afterschool programs.

**62%** of afterschool programs in Kansas are located in a public school building.

On average, Kansas families who pay for their child's afterschool program spend \$49 per week.

After lack of need, the predominant obstacles to enrollment include:

*Preference for alternative activities.*

*The afterschool programs are too expensive.*
